

Only You

[Alison Moyet](#)

Looking from the window above
It's like a story of love
Can you hear me? Came back only yesterday
Moving farther away
Want you near me All I needed was the love you gave
All I needed for another day
And all I ever knew, only you Sometimes when I think of her name
When it's only a game
And I need you Listen to the words that you say
It's getting harder to stay
When I see you All I needed was the love you gave
All I needed for another day
And all I ever knew, only you All I needed was the love you gave
All I needed for another day
And all I ever knew, only you This is gonna take a long time
And I wonder what's mine
Can't take no more Wonder if you'll understand
It's just the touch of your hand
Behind closed doors All I needed was the love you gave
All I needed for another day
And all I ever knew, only you
