

# I Know Him So Well

## Whitney Houston

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me

From wanting far too much, for far too long  
Looking back, I could have done it differently

Won a few more moments, who can tell?

But it took time to understand the man

Now at least I know, I know him well  
Wasn't it good, wasn't he fine

Isn't it madness, he can't be mine

But in the end, he needs

A little bit more than me for security

I know him so well  
No one in your life is with you constantly

No one is completely on your side

And though I moved my world to be with him

Still the gap between us is too wide  
Looking back, I could've played it differently

Learned about the man before I fell

But I was ever so much younger then

Now at least I know, I know him well  
Wasn't it good, wasn't he fine

Isn't it madness, he can't be mine

Didn't I know, how it would go

If I knew from the start

Why am I falling apart  
Wasn't he fine

Isn't it madness, he can't be mine

But in the end, he needs

A little bit more than me for security

I know him so well  
It took some time to understand him

Ooh, I know him so well
