Deep Night

Milt Hinton

Deep night, stars in the sky above
Moonlight, lighting our place of love
Night winds seem to have gone to rest
Two eyes, brightly with love are gleaming
Come to my arms, my darling, my sweetheart, my own
Vow that you'll love me always, be mine alone

Deep night, whispering trees above
Kind night, bringing you nearer, dearer and dearer
Deep night, deep in the arms of love

Come to my arms, my darling, my sweetheart, my own
Vow that you'll love me always, and be mine alone

Deep night, whispering trees above
Kind night, bringing you nearer, dearer and dearer
Deep night, deep in the arms of love
