

Dreams of Flying

Mudcrutch

See the bright lights of Memphis
I gotta friend lives down there And I don't know
if I'll go back again
Even now, feels like dying I get dreams of flying...
I get dreams of flying... Whatcha do lies behind us
better roll your window down
and let it go
crashing down the ro-o-oad
Truth is it ain't worth lying I get dreams of flying...
I get dreams of flying...(extended bridge) Got a diamond on my finger
Got a sapphire through my ear
and for all I know
I might go back again -
see what's in there hiding...
I get dreams of flying... oooh I get dreams of flying... Yeah I get dreams of flying... oh-well-I get dreams of
flying... O-oooh...(plays out)
