What's Your Name

Usher

Ey girl, ey, ey
Ey girl, ey, ey
Eh, eh, ey girlWhats your name? Baby whats your number?
Cause girl you got me, got a brother wondering
If you want a homie and a lover
I can be your friend till the endGirl, wassup?
Im going crazy
Ey girl, wassup?
Cause I wanna know if I can love yaYo, girl wassup?
Yo, wont ya be my lady, ah?
Yeah girl, wassup?
I wanna know who you areWhats your name?
I wanna know who you are
Whats your name?
I wanna know who you are and make you a star
Girl, Im giving you everything cause my love is yoursWhats your name and number
Damn, your double deed is making Willie mumble, yo
Jilie jolies, Ima rock ya till like we get downWhat youre digit? Put it in my phone
Hit me when youre all alone
You could call on me we'll flirt with technology girlNow girl, wassup?
Im going crazy
Now girl, wassup?
I wanna know if I can love yaGirl wassup?
Wont ya be my lady ah?
Yeah, girl wassup?
I wanna know who you areWhats your name?
I wanna know who you are
Whats your name?
I wanna know who you are and make you a star
Girl, Im giving you everything cause my love is yoursWhats your name? Yeah baby whats your number?
Cause girl you got me, got a brother wondering
If you want a homie and a lover
I can be you friend till the endWould it, should it be a problem
If I holla, como se llama?
Would you bother like Donna Summer?
Girl, give me this last danceUntil we slowly skatin babe
Dont want to float away
Cause we got the light, you be the ball
And Ima be the chain babeRotate, round and round and round

You got nowhere to go babe
Girl, I done got you now
Illuminate, create a new thingLet em paparazzi
This you and me thing
But we cant do a thing
Till I know your nameNow girl, wassup?
Im going crazy
Now, girl wassup?
I wanna know if I can love yaGirl wassup?
Wont ya be my lady ah?
Yeah, girl wassup?
I wanna know who you areHey biditch, lets get wit it cause you tick tick did it
Mami make a brother wanna dig, dig, dig it
The honey put it on me now, I speakin like this
Just like thisIma [Incomprehensible]
Take silicon and Ima 18 starter
My ding ding dotter, love my ding dong
She can love my anything totter[Foreign Content]
Whats your name?
[Foreign Content]
Whats your name?
I wanna know who you are and make you a star
Girl, Im giving you everything cause my love is yoursEy girl, ey, ey
Ey girl, ey, ey
Ey girl, ey girl
