Hey You, Beautiful

Olly Murs

Hey you beautiful, girl you knock me down
Haven?t seen you before, try to feel you out
Die hard, disregard, coming out your mouth
But your body saying something else
[Bridge]
You say that you don?t
But I know you do
Playing hard to get, get, get
Girl I?m onto you, you
Telling me no, no,
You really mean yes, yes
Let yourself go,
Why don?t you confess
[Chorus]
Woho, I feel your body calling out to me
Don?t need nothing, feel electricity
Know there?s something, dirty on your mind
You don?t have to lie, no
You don?t have to lie
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
Ok, now I see, you just love the chase
Lucky for you mami that?s my favorite game
Won?t stop till I got, you calling my name
You know you can?t resist it baby
[Bridge]
You say that you don?t

But I know you do
Playing hard to get, get, get
Girl I?m onto you, you
Telling me no, no,
You really mean yes, yes
Let yourself go,
Why don?t you confess

[Chorus]
Woho, I feel your body calling out to me
Don?t need nothing, feel electricity
Know there?s something, dirty on your mind
You don?t have to lie, no
You don?t have to lie
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
Hey you beautiful, hey you beautiful
[Chorus]
Woho, I feel your body calling out to me
Don?t need nothing, feel electricity
Know there?s something, dirty on your mind
You don?t have to lie, no
You don?t have to lie
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
Woho, oho, I know it,
Woho, oho, you like it
Woho, oho, sex is in your eyes
