

I Hope the Pope Makes You a Saint

Lawrence Arabia

Legend rode a different color.
Aw, but you must weigh it down.
Don't dispare about your problems.
So see,lying next to me.
When I'm down I'll always call your name.
(Mandolin solo.)
Buy yourself a Queen Sized Mattress.
For the dollars on the grass.
Always taste your tears.
Some of us another day.
I hope the pope makes you a saint.
See, see Peter and yourself, Peter and yourself.
