Well she tore my clothes

She swelled my head

So goodbye booze i'm goin to bed

I had a good time, but we couldn't agree

So you see what booze has done for me

Oh goodbye booze

Forever more

My boozin' days will soon be o'er

I had a good time, but we couldn't agree

So you see what booze has done for me

Well she slammed my head

She broke my heart

So goodbye booze its time we part

I had a good time

But we couldn't agree

So you see what booze has done for me

So goodbye booze

Forever more

My boozin' days will soon be o'er

I had a good time

But we couldn't agree

So you see what booze has done for me

Well she whipspered low, how sweet it sounds

Won't don't you take another ride on the merry go round

Oh I had a good time, but we couldn't agree

So you see what booze has done for me

So goodbye booze

Forever more

My boozin' days will soon be o'er

I had a good time, but we couldn't agree

So you see what booze has done for me
