

Remind You

Christopher

You take my breath away
With your naked body
And I'm not the only one
Yeah, everyone thinks you're stunning
It's the way that you smile when you look at the crowd, I can tell that you
don't know that you're beautiful
And you're fine but you think it's a lie when I say
You're beautiful, you're beautiful, don't you know it
I always will, I always will let you know
Let you know, let you know
You're beautiful, you're beautiful, and if you ever forget
I will always
I'll remind yooooooooou
I'll remind yooooooooou
Remind you, ohh
I'll remind yooooooooou
I'll remind yooooooooou
Why're you so insecure
Baby you would take me away with your eyes
Give me one good reason
Don't you think it's wrong the many lies
Tell me what do you see
Baby look at me, stop reading my mind
When you're looking in the mirror
It's the way that you smile when you look at the crowd, I can tell you don't
know that you're beautiful
And you're fine but you think it's a lie when I say
You're beautiful
You're beautiful, you're beautiful, don't you know it
I always will, I always will let you know
Let you know, let you know
You're beautiful, you're beautiful, and if you ever forget
I will always
I'll remind yooooooooou
Remind you, ohh
I'll remind yooooooooou
Never forget, do never forget
Remind you
Oh baby, I'll remind you
I'll remind yooooooooou
I'll remind yooooooooou
Remind you, remind you
Baby you're beautiful*4
You take my breath away
With your naked body
