

# Forgetting

## The Feminine Complex

Crawling then walking  
Then running and sweating  
Forgetting  
Lying and cheating  
Aiding and abetting  
Forgetting  
Itching and scratching  
And punching and hitting  
Forgetting, forgetting  
Forgetting, forgetting  
Reminding, rewinding  
Removing, regretting  
Forgetting  
Your smiles at the wake  
And your tears at the wedding

Forgetting, forgetting  
Forgetting, forgetting  
Forgetting, forgetting  
Forgetting  
Spellbound and hell-bound  
And caught in the netting  
Forgetting  
A wiping it clean  
A minute Armageddon  
Forgetting, forgetting  
Forgetting, forgetting  
Forgetting, forgetting  
Forgetting  
Forgetting, forgetting  
Forgetting
