

# New Messiah

## Fear Factory

The future beings now!  
The future beings now! Hour of change, elimination  
Eyes of disdain, cruel exploitation  
Chaos and bloodshed dominate  
Chaos and bloodshed, cause of hate A new messiah, another lie  
A new messiah to be denied The future beings now!  
The future beings now! Culture deceit, discrimination  
A cross to bear, every religion  
Chaos and bloodshed dominate  
Chaos and bloodshed, cause of hate A new messiah, another lie  
A new messiah to be denied The future beings now! Who will be the chosen ones  
To be aware and transcend  
Who will be the chosen ones  
Living in a world without end?  
A world without end, A world without end A new messiah, another lie  
A new messiah to be denied A new messiah...  
To be DENIED!
