Refrain

Christian Bautista

Please, refrain cause I can't take your,
Your constructive criticism anymore.
What the hell have you been building anyways
Between you and me?
Just a barricade?
I gotta say,

I could do so much better than this.

I know, I know I took the easy road again.

And as for selling myself short,

I have become notorious, oh, oh.

I know how it goes.

This is the part where I realize that I'm alone, alone.

You always told me to be mature.

Well, I just don't know myself anymore.

What's the point of being grown up anyways,

When I can be like you, give it all away?

I've got to say,

I could do so much better than this.

I know, I know I took the easy road again.

And as for selling myself short,

I have become notorious, oh, oh.

I know how it goes.

This is the part where I realize that I'm alone, alone.

And everybody wants to fall in love In cinematic fashion. I don't, I don't.
