

Breakin down

Ben Harper

You don't believe that I love you
And even if that was true
Why just to keep our unhappy home
I'm gonna try to pretend that I do
But I'm breakin' down
I'm breakin' down
I'm breakin' down
I'm breakin' down
My baby she left me
Said she ain't comin' back around
And I'm breakin' down
I'm breakin' downAnd if I thought that it was okay
For a grown man to cry
I would have filled up the whole mighty ocean
When she said goodbye
And I'm breakin' down
I'm breakin' down
I'm breakin' down
I'm breakin' down
You know my baby she left me
Said she ain't comin' back around
And I'm breakin' down
I'm breakin' downOne day you said everything was just right
I don't see how it changed overnight
One day you said everything was so strong
The next day you turn to me and say
It's been wrong all alongOh and now you won't even look at me
You pass me by in the street and you won't even speak
I never meant to cause you any harm
How could two people start so close
And end up so far
I'm breakin' down
I'm breakin' down
I'm breakin' down
I'm breakin' down
