

Invincible

Evil Activities

Ca-ca-ca-can't stop
Ca-ca-ca-can't break
Ca-ca-ca-can't reach
Ca-ca-ca-can't see me (x??)

You can try all you can
But you'll never defeat me!

Never defeat me!

Ca-ca-ca-can't stop
Ca-ca-ca-can't break
Ca-ca-ca-can't reach
Ca-ca-ca-can't see me (x??)

You can't stop the unstoppable
Break the unbreakable
Beat the unbeatable
See the invisible
I know you're trying to reach
But can't touch the untouchable
Put a hold on this, I don't believe in miracles!

Stop the unstoppable
Break the unbreakable
Beat the unbeatable
See the invisible
I know you're trying to reach
But can't touch the untouchable
Put a hold on this, I don't believe in miracles!

You can't stop the unstoppable
Break the unbreakable
Beat the unbeatable
See the invisible
I know you're trying to reach
But can't touch the untouchable
Put a hold on this, I don't believe in miracles! (x??)

Stop the unstoppable (x??)

You can't stop the unstoppable
Break the unbreakable
Beat the unbeatable
See the invisible (x??)

You'll never defeat me!

You can't stop me
You can't break me
You can't reach me
You can't see me
You can try all you can
But you'll never defeat me!
Try all you can
But you'll never defeat me!

You can't stop the unstoppable
Break the unbreakable
Beat the unbeatable
See the invisible
I know you're trying to reach
But can't touch the untouchable
Put a hold on this, I don't believe in miracles!

You can't stop me!

You can't see me!

You can try all you can
But you'll never defeat me!
Try all you can
But you'll never defeat me!

Ca-ca-ca-can't stop
Ca-ca-ca-can't break
Ca-ca-ca-can't reach
Ca-ca-ca-can't see me

You'll never defeat me!

Ca-ca-ca-can't stop
Ca-ca-ca-can't break
Ca-ca-ca-can't reach

Ca-ca-ca-can't see me (x??)

You can try all you can
But you'll never defeat me!
