## Revolution

## **Roman Lob**

Tonight, there's a revolution
Tonight, we're going to war
We're going to war
We're going tonight
You better make a decision
Tonight, we're going to war

We're going to war

I'm not a patriot

I'm not illegal

I'm not a fugitive

I'm an American

I'm an American

I think you need some education
I think you need some thought control
Tonight, there is a situation
Tonight, it's the end of the world
It's the end of tonight
We'll take control of the nation

Tonight, we take control of the world We take control of the world

I'm not a patriot

I'm not illegal

I'm not a fugitive

I'm an American

I'm an American

Come, let's crush these weak defenses

Let's all lose our self control

We will fight the false pretenses

And break the arm that has a hold

Come, let's crush the opposition

And let us not do what we're told

We can kill the competition

And brake the face off of the mold

I'm not a patriot

I'm not illegal

I'm not a fugitive

I'm an American

I'm an American

## I think you need some education I think you need some thought control
