Good Man

Devour the Day

I want to be a good man, I want to see God
I want to be faithful but I know that I'm not
I want to be a good man, I want to do right
I don't wanna be a criminal for the rest of my life
Everything that I've done before
Has brought me back down on my knees
I'm crying out to you, Lord
It's getting harder and harder to see
If there's good left in me?
Is there any good left in, me!Is there any good left in me?
I want to be a good man
Is there any good left in me?I want to be be a good man, I wanna be a saved
I want to be a free man but I feel like a slave
And I'm crying out to you, Lord
It's getting harder and harder to see
If there's good left in me?Is there any good left in me?
I want to be a good man
Is there any good left?
I want to be a good man
Is there any good left in me?
I want to be a good man
Is there any good left?Pull me from the darkness, lift me back into the light
Fill this empty vessel, fill this hole I have inside
Am I worth forgiveness, I can't make myself believe
Show me that you're listening and tear this devil out of meI want to be a good man
Is there any good left in me?
I want to be a good man
I want to be a good man
Is there good left in me?
I want to be a good man
Is there any good left in me?
