I Want to Par-tay!

Crash Test Dummies

Well, look here now, my oh my
I got a bug stuck in my eye
I feel the chill right through my coat
I got a pill stuck in my throatI'm a man, walking with a stick
I'm a man who likes to get in his kicks
I'm the man talking to his dick
I'm the man getting all the chicksYou're gettin' flirty with me
You're talkin' dirty to me
You're sayin' "Come on, baby"
YeahI want to par-tay, p-p-par-tay
I want to par-tay, p-p-par-tayI should have checked before I chewed
I got a worm stuck in my food
I'm walking funny and it's not by chance
I got some shit stuck in my pantsYou know that I could have my pick
You know that I got quirks and ticks
I like the way you play your tricks
I like the way you like to squirm and kickYou're gettin' flirty with me
You're talkin' dirty to me
You're sayin' "Come on, baby"
YeahI want to par-tay, p-p-par-tay
I want to par-tay, p-p-par-tayYou know that it's not just a joke
I like to suck back a lot of Coke
I like the sugar it contains
I like the syrup in my veinsI'm a man walking with his drink
I'm a man talking to his drink
I'm a man woofing in the sink
And I'm the man, whatever you may thinkYou're gettin' flirty with me
You're talkin' dirty to me
You're sayin' "Come on, baby"
