Don't Mess With Ouija Boards

Falling in Reverse

From the depths of Hell
So far I fell
A deal made with the devil
After all the dust had settledThere's an hourglass of time
Counting down all of the lies
And with every grain of sand
Time is slipping through my handsOh! I sold my soul to rock n' roll
I let my demons take control
Redemption seems so far away
This microphone is my escapeDon't mess with Ouija boards
'Cause now my spirit's tornI'm bound by fear of being trapped
I'm falling faster, fade to black
Something's standing in my way
Hoping for better daysI'm always searching
For serenity (Better days)
And I'm always standing
At the edge of reality
Oh!I spill my heart out on the stage
The only way I feel okay
And right before that curtain calls
I just got one more thing to say
Don't mess with Ouija boards
'Cause now my spirit's tornI'm always searching
For serenity (Better days)
And I'm always standing
At the edge of reality
Oh!From the depths of Hell
So far I fell
A deal made with the devil
After all the dust had settledLook into my eyes
You will see the light
It burns so bright
This flame will never die
I speak the truth
Immortalized my youth
No otherway until my final dayOH
I feel the hate
Welling up inside
And it's too late

No where to run and hideDon't mess with Ouija boards
Don't mess with Ouija boardsI'm bound by fear of being trapped
I'm falling faster, better daysI'm always searching
For serenity (Better days)
And I'm always standing
At the edge of reality (Better days)I'm always searching
For serenity (Better days)
And I'm always standing
At the edge of reality, ohDon't mess with Ouija boards
Ouija boards
Don't mess with Ouija boards
Ouija boards
