

# Oochie Wally

## The Bravehearts

Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally  
He really really really fucked my coochie  
He really really really turned me out  
He really really really got to gut me  
He really really made me scream and shout  
He really taught me how to work my body  
He really taught me how to do it with my mouth  
He really really tried to hurt me hurt me  
I really love his thug and gangsta style  
Yeah, what up ma, take a look, you hypnotized  
On how my long dick stretch your insides  
For real ma, with your thick lips and thick thighs  
Stoke both holes, pass it to Nas  
Or pass it to Naish, or pass it to Jung  
Or pass it to Horse, then that ass gettin' tossed  
Fuck a hustler book, penthouse or black tale  
I got bitches sendin' my niggas flicks in jail  
I fuck a bitch face more than her waist for real  
And ain't no pussy like new pussy thats how a nigga feel  
Bust three times throw her the peace sign  
She sleep then my dick sleek and I ain't gotta call her for weeks  
Long leg hoes, mo'head hoes, married bitches  
Me and my dog fuckin' them both they got us switchin'  
Is the nigga gangsta? Yeah, that's how I'm livin'  
That's how I'm playin' I got these freak fuckin' hoes singin'  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally  
He really really really fucked my coochie  
He really really really turned me out  
He really really really got to gut me  
He really really made me scream and shout  
Little young thing go around my dick with your tongue ring  
Deep throat my nine inch, gut from the front and  
Grind from the side and, fuck from behind and

Grab her hair slap her ass, she screamin' like she dyin'  
Make her come four times without even tryin'  
I'll beat that pussy up there's no denyin'  
Hit her where she doodie at, make that booty fat  
Little cutie rat, walking by with the doobie wrap  
Tight blue jeans, air max small Gucci bag  
No loot and no job stay home giving blow jobs  
Like no prob, it's simple  
Holla out the window it's the project nympho  
Fuck my whole crew, you know how we do  
you got that good pussy I can share with my peoples  
Be a brave girl, do your thang  
Let them tities hang, I'll have all the bitches sayin'  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally  
He really really really fucked my coochie  
He really really really turned me out  
He really really really got to gut me  
He really really made me scream and shout  
When it comes to sex I'm similar to the thriller in manilla  
Bitches call me Horse the pussy filler  
I'll fuck a big boned or slim chick  
Beat that pussy up real quick then send home the bitch  
Ain't no sleepin' in my bedroom when Henny's in my dick  
When Flex drop the bomb I bust a nut on this bitch  
Deep throat, ceaser gold or pun wicked hoes  
Who like the way I thug and the way I flow  
I like head in the Benz, the four door or the Coupe  
Head in the staircase, the cellar or the roof  
Head in the studio, the bathroom or the booth  
Head from a project chick or one with crazy loot  
Like Nia Long in a cherry thong with the lights on  
Sippin' Perignon with Kelly Price on  
I pull out my python, I hit it while my wife's gone  
Long dick the bitch all night, I'll make her pussy sing the song  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, Oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally, oochie bang bang  
Oochie wally wally
