Superluv!

Shane Dawson

I?m running out of time.
I hope that I can save you some how.
If I,
If I had super powers.
I?d save the world and you would be mine,
Mine.
Have no fear your hero is here,
My super sense is telling me that danger is near.
I?m getting close to you so I can watch your back.
A villain's on the loose and he?s ready to attack.
Oh!
But, I?m not a super hero.
I?m not that kind of guy,
But, I can save you baby,
Give me a try.
'Cause I?m running out of time.
I know what I came to do,
And I didn't come to lose.
So, I'll fight until you're mine.
And if trouble comes around,
I won?t be backing down tonight.
Oh, if you're in danger.
Oh, I'm here to save ya.
Oh, that's what I?m made of.
Oh, oh, oh, oh,
Give you my superluv.
I?m fighting for your love,
For all this time.
What I gotta do,
To make you mine.
Got no super speed,
But I?m running this town.
If you get in my way,
I?ma take you down.
But, I?m not a super hero.
I?m not that kinda guy.
But, I can save you baby,

Give me a try.

'Cause I?m running out of time.
I know what I came to do,
And I didn't come to lose.
So, I'll fight until you're mine.
And if trouble comes around,
I won?t be backing down tonight.
Oh, if you're in danger.
Oh, I'm here to save ya.
Oh, that's what I?m made of.
Oh, oh, oh, oh,
Give you my superluv.
Can?t you see,
We're meant to be.
So, come with me,
And say you're mine.
'Cause I?m running out of time.
I know what I came to do,
And I didn't come to lose.
So, I'll fight until you're mine.
And if trouble comes around,
I won?t be backing down tonight.
Oh, if you're in danger.
Oh, I'm here to save ya.
Oh, that's what I?m made of.
Oh, oh, oh, oh,
Give you my superluv.
Give you my superluv,
Give you my superluv.
Give you my superluv luv luv luv,
Give you my superluv.
And all you really need,
Has been right in front of you this whole time.
And I,
I didn't need no super powers.
I've saved the world,
And now you are mine.
Now you're mine.
