Closing: The Chosen Ones

Solange

"That's what makes my life complete, knowing that it's a higher being, a higher power, knowing that these people done paved their way. You know, our great-great-grandfathers and grandmothers that came here, they found some kind of way to make the rhythm. You know, and they kept rhythm, no matter what. Now, we come here as slaves, but we going out as royalty, and able to show that we are truly the chosen ones."
