

Afraid to Shoot Strangers

Iron Maiden

Lying awake at night
I wipe the sweat from my brow
But it's not the fear
'Cos I'd rather go now Trying to visualize
The horrors that will lay ahead
The desert sand mound
A burial ground When it comes to the time
Are we partners in crime?
When it comes to the time
We'll be ready to die God let us go now and finish what's
To be done
Thy kingdom come
Thy shall be done on earth Trying to justify to ourselves
The reasons to go
Should we live and let live
Forget or forgive But how can we let them go on this way?
The reign of terror corruption must end
And we know deep down there's no other way
No trust, no reasoning, no more to say Afraid to shoot strangers
Afraid to shoot strangers Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers
Afraid
Afraid to shoot strangers Afraid to shoot strangers
Afraid to shoot strangers
Afraid to shoot strangers
Afraid to shoot strangers
