Barely Asian At The Beefcake Horizon

Of Montreal

Went out looking for rainbows
Staring at the gorilla
I thought we'd share some sundae
Oh, but you ate it all
And I was so scared to call
Like you were some kind of domino

And it was easy, so easy, so easy to care
So easy when you were always there
It was easy, so easy, so easy to care
Easy when you were always there

But now that you're gone
I'm not so friendly
All my friends have gone
