

How Bad Do You Want It?

Don Henley

Hey! You're leavin' tongue marks on the carpet
I know what you're lookin' at
You would walk on your lips through busted glass
If you could get next to that
You think this is love?
Your education starts today
So you think this is love?
So tell me
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough
So you, you put a hold on happiness
A day, a week, a year
You got to bring somethin' to this party, boy
If you party here
And if you're lookin' for love
You better look some other way
If you're lookin' for love
I have to ask you
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough
She gave you love and affection
Enough to weather any season
You found an excuse to walk away
But you didn't find no reason
And you talk about love
But you don't know what it means
Yeah, you talk about love
So tell me
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough
Not bad enough
How bad?
B-b-bad enough
