Take Me Higher

The Clark Sisters

Woke up one morning
felt the anointing o over me
I cried out Lord
Please don't take your spirit from me
Each day I find myself praying and saying yes Lord
Anoint me the more
that yokes can be destroyedThe anointing.....
destroys the yokes
The anointing.....
destroys the yokesI need it I need your spirit
I can't do without it
No No No No---The Holy Ghost
The Holy Ghost
I need more power
The Holy Ghost
The Holy Ghost
Lord Take me HigherHigher Higher I wanna go Higher
Take me
Higher higher
take me highergo back to "the anointing destroys the yoke"
then back to "higher"
then ad libI wanna be consecrated
I want to be closer to you
Create in me a clean heart and renew in me a right spirit
