

# Nothing Compares 2 U

## Prince & The New Power Generation

It's been 7 hours and 13 days  
Since u took your love away  
I go out every night and sleep all day  
Since u took your love away  
Since you've been gone I can do whatever I want I can see who ever I choose  
Eat my dinner in a fancy restaurant, oh yeah  
But nothing, nothing can take away these blues  
Nothing compares, nothing compares 2 u Oh baby It's been so lonely without u here  
I'm like a bird without a song  
Nothing can stop this lonely rain from falling  
Tell me baby, where did I go wrong?  
Oh baby I can put my arms around every boy I see, oh yeah  
But they only remind me of u  
All my dames remind me of u too girl, oh yeah I went 2 the doctor, guess what he told me What'd he tell u?  
Guess what he told me I'm listening  
He said, "Rosie," What?  
"Try to have fun no matter what u do" U wanna tell me why?  
He's a fool Nothing compares (no), nothing compares 2 u  
Ooh, baby  
Tenor man, play it for me  
All the flowers that u planted, sugar  
In the backyard all died when u went away  
Ooh baby, I know that living with me baby  
Is sometimes hard, sometimes hard  
But I'm willing, I'm willing 2 give it one more try  
One more try  
Please do you know why, do you know why  
Nothing compares (no), nothing compares 2 u  
Oh, baby  
Everytime I say...  
Nothing compares (no), nothing compares 2 u
