Then You Can Tell Me Goodbye

Pat Kelly

Kiss me each morning
For a million yearsHold me each evening
By your sideTell me you love me
For a million, a million yearsAnd then if it don't work outAnd then if it don't work outThen you can tell me GoodbyeSweeten my coffee
With a morning kissSoften my dreams
With your sighTell me you love me
For a million, a million yearsAnd then if it don't work out
And then if it don't work out
Then you can tell me
GoodbyeIf you must go
I won't grieve
just wait a life-time before you leave
Pleasethen if you must go
I won't Tell you "no
Just so we can say that we triedTell me you love me, for a million, just a million yearsAnd then if it don't work out
and then if it don't work out
Then you can tell me goodbye
Then you can tell me... goodbyeYou can tell me goodbye, goodbye
