Shots

9th Wonder

If you not drunk ladies and gentlemen
Get ready to get fucked up
Let's do it, ha-ha
LMFAO, you know what?
Lil Jon, yeah
All of the alcoholics, where you at?
Let's go, hey
Hey, hey, hey, uh-huh
Hey, hey, hey, let's go, yeah
When I walk in the club, all eyes on me
I'm with the party rock crew, all drinks are free
We like Ciroc, we love Patron
We came to party rock, everybody it's on
Shots shots shots shots shots
Shots shots shots shots shots
Shots shots shots shots shots
Shots, everybody
Shots shots shots shots shots
Shots shots shots shots shots
Shots shots shots shots shots
Shots, everybody
The ladies love us when we pour shots
They need an excuse to suck our cocks
(Suck my cock)
We came to get crunk, how 'bout you?
Bottoms up, let's go round two
Shots shots shots shots shots
Shots shots shots shots shots
Shots shots shots shots shots
Shots, everybody
Shots shots shots shots shots
Shots shots shots shots shots
Shots shots shots shots shots
Shots, everybody
If you ain't getting drunk, get the fuck out the club
If you ain't takin' shots, get the fuck out the club
If you ain't come to party, get the fuck out the club
Now where my alcoholics? Let me see your hands up
What you drinkin on?

Jaegerbombs
Lemondrops
Buttery Nipples
Jello Shots
Kamikaze
Rewindin'
Fuck all that shit
Get me some gin
Shots, Patron's on the rocks and I'm ready for some
Shots, the women come around everytime I'm pourin'
Shots, their panties hit the ground everytime I give 'em
Shots, so cups in the air, everybody let's take shots
If you feelin' drunk put your hands in the air
And if you trying to fuck put your hands in the air
Now say, "I'm fucked up"
(I'm fucked up)
I'm fucked up
(I'm fucked up)
I'm trying to fuck
(I'm trying to fuck)
I'm trying to fuck
(I'm trying to fuck)
Shots, Patron's on the rocks and I'm ready for some
Shots, the women come around everytime I'm pourin'
Shots, their panties hit the ground everytime I give 'em
Shots, so cups in the air, everybody let's take shots
I'm fucked up
La da da da
La da da da da da
La da da da
La da da da da da
La da da da
La da da da da da
