# You Mean The World To Me

## Sarah Geronimo

Baby you oughta know
That everywhere that I go
I can't see nothing
Unless You're here with me, can't you seeThat everything that I do
Is just no good without you
I'm going crazy
Coz you mean the world to meI was lost, so cold and alone
Defeating my hungry soul
Up and down I tumbled around
Looking for my future homeThen you came to my rescue
Sent from heaven above
Day by day I've found my way
All because of your love
You mean the world to meChorusEvery time we touch
It feels like fire
I can't get enough
Of this sweet full thing
Each and every day I know
Our love will grow
This is how life should be
You mean the world to meTakes a fool to lose what I have
I promise you'll never do wrong
I'll be glad to give you my all
I'll be there whenever you callThere's no doubt, I know you're the one
I will stay right by your side
You're my true devoted sun
The one to make me see
You mean the world to meChorusDay by day, I've found my way
