

Beyond the Scale of Comprehension

Front 242

Transhuman soul
Cloning science
Homo sapiens
All-embracing
Worldwide
Abolishing death
Playing God
Low-born docile
Amiss servile
If you can afford it there is no limit [2x]Endlessly breeding
Freeze drying
Kind-hearted kind
Deserved to be preserved
Plain obvious clear
With us you'll be above the human
Beyond the human
You'll make history
Deceived mislead deludedIf you can afford it there is no limit [2x]
Unfriendly untested dodgy [2x]
With us you'll be above the human
Beyond the human
You'll make history
