

# I'm a Woman

Reba McEntire

Well I can wash out 44 pairs of socks  
And have 'em on the line  
You know I can starch and iron two dozen shirts  
For you, can count from 1 to 9 I can slip up a great big dip up of lard from a drippings can  
Throw it in the skillet, do my shopping  
And be back before it melts in the pan 'Cause I'm a woman

W O M A N

Let me tell you again

I'm a woman

W O M A N

(Woman, she's a woman) Well I can rub and scrub till this house  
Shines just like a dime

Feed the baby, grease the car and  
Powder my nose at the same time You know I can get all dressed up  
Go out swinging with the M A N  
Jump in bed at 5 sleep till 6

And start all over again 'Cause I'm a woman

W O M A N

Let me tell you again

I'm a woman

W O M A N

(Woman, she's a woman) Well now if you come to me sick you know  
That I'm gonna make you well

And if you come to me all hexed up  
You know I'm gonna break the spell And if you come to me hungry, you know

I'll feed ya full of my grits

And if it's loving you want

I can kiss you and give you the shivering fits 'Cause I'm a woman

W O M A N

I'll say it again

I'm a woman

W O M A N

(Woman, she's a woman) Well, I got a 20 dollar gold fee says  
There ain't nothing that I can't do

Well I can make a dress out of feeding sacks  
And I can make a man out of you 'Cause I'm a woman

W O M A N

Let me tell you again

I'm a woman

W O M A N

(Woman, she's a woman)I'm a woman

(She's a woman)

Well I'm a woman

(She's a woman)

I'm a woman

(She's a woman)

Yeah I'm a woman
