## Sarantos

Nothing To Hide Verse 1 Sitting on the stairs, staring at the dark  
Wonder if I made a mistake, from the very start  
It seemed so right, way back when  
Didn't realize I did, everything she said Chorus 1 What kind of life, am I choosing to live?  
What kind of lover, doesn't like to give?  
How can I change her back, into what she used to be?  
It's what I want, I want nothing to hide Verse 2 At what point, did I, simply lose control  
Woke up each morning, losing my soul  
When you stop believing, it's never something good  
When you start to wonder, that's when you should Chorus 2 What kind of life, am I choosing to live?  
What kind of lover, doesn't like to give?  
When did I make, such a big mistake?  
It's what I want, I want nothing to hide Solo Staring at the wall, nothing left to feel  
I will take it like a man, to run, to run and hide Chorus 3 What kind of life, am I choosing to live?  
What kind of lover, doesn't like to give?  
When did I make, such a big mistake?  
It's what I want, I want nothing to hide Fade Out How can I change her back, into what she used to be?  
It's what I want, I want nothing to hide
