

Dance With Me

Ra Ra Riot

All I most, I most it feel I had a good day
All I most, I most it feel I had a good day
It wasn't that great.

But if I start to move it, 'cause I'd rather be
getting into wonder, why don't you stay here?
but on the contrary, I live in loneliness.
so lonely, so lonely.

Chorus:

Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.

All I most, I mostly wish I had a bad way
All I most, I mostly wish I had a bad way
That would be so great.

I'll be so up for it, you wouldn't slow me down.,
I always want to put it in another minute

Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.

I wanna be your toy, ..I never felt it myself
I wanna be your toy, I wanna be your toy.
I wanna be your toy, I wanna be your toy.

Come and dance with me, bitter sweet fool
