Be a King

Capital Kings

Theres so many around the world
With voices buried beneath
You cant let our voice start to fade away
Oh-oh
You gotta keep fighting
Born as a lion
Oh-oh
You can make change
I want you to be a king
Be a king
I want you to be a king
Gotta rock and roll cause times flying
What you selling? Yeah, I aint buying
Try to bury all of these throghts
And negative cause theyre starting to se that
Theyre trying to box you into a corner
Play you like an xbox controller
But my discernment is far from obscure
Lets take it to another level
Boom hit the beat, just keep rocking
Now rec your voice, dont let it be forgotten
People all across the nation have expectations
Someone to change a generation
Yeah, I can see into your eyes
A vision so deep that theyre full of life
Steady fighting cause we know what the world could be
So I guess that makes both me and you a king
so many around the world
With voices buried beneath
You cant let our voice start to fade away
Oh-oh
You gotta keep fighting
Born as a lion
Oh-oh
You can make change
I want you to be a king
Be a king
I want you to be a king
