

# I'd Write A Letter

Al Green

If I were you, I'd write a letter  
I'd tell the world just how I feel  
If I were you, I'd make it better  
And as the world just watch the [Incomprehensible] You know it's true  
I do love you  
Hold on, hold on  
And I'm still your right  
Babe, day and night  
Hold on, hold on If I were you, I'd change my heart  
And I'd never leave, never leave you  
If I were you, I'd write a letter  
Before this day, this day is through I know you're a If I were you, I'd write a letter  
I'd tell the world just how I feel  
If I were you, I'll make it better  
And as the world just watch the [Incomprehensible] I know you're right  
All day and night, oh no  
Hold on, hold on, babe  
I know it's true  
I do love you, oh baby  
Hold on, hold on If I were you, if I were you  
If I were you  
If I were you, if I were you Oh yeah  
If I were you  
If I were you  
If I were you, oh baby, if I were you  
If I were you, I'd hold on If I were you, if I were you  
If I were you  
If I were you, I'd walk right  
Talk right
