

Ultraviolet Dreams

Cypress Hill

Ultraviolet dreams
Take a hit off that stuff
Ultraviolet dreams
That's some good shit man Stuff should light now
Oh, that shit's good man
Ultraviolet dreams
It's like the biggest joint man (Oh, no)
That's the hook up
Ultraviolet dreams
Hook up, this is (Pass that shit, homie)
Pass it around
(That stuff right there)
Ultraviolet dreams Orderly, hey I'm holdin' it
Let me see that
Ultraviolet dreams
That's some good shit, man Goddamn
Feed me
That's some good shit
