

# Death May Be Your Santa Claus

## Mott the Hoople

Yes, I've been dreaming about you every day  
Every day, each and every day  
And I've been thinking about you all night long  
I even wrote a song Just to try and tell you how I really feel  
To make you understand my love is real  
That you're on my mind all the time  
I wish to God, you were mine once again I remember talking to you  
I remember walking with you  
I remember laughing all the time  
When you were mine Now the day seems so long  
I can't face the night alone  
I beg you, please  
Won't you please come home? I remember talking to you  
I remember walking with you  
I remember laughing all the time  
I remember singing to you  
I remember dreaming with you  
I remember loving, you were, were mine And now the day seems so long  
I can't face the night all alone  
I beg you please  
Won't you please come home?
