

Keep It In The Family

Anthrax

Mankind

The public enemy's not the man who speaks his mind
The public enemy's the man that goes and acts blind
Searching for an answer that he'll never find
An action from reaction and you can't make a retraction
Once you've put your head out
And then you're blue in the face

As you try to state your case You can think with your dick but it can't shout

Yo, I try to understand what the hell is going on
I can't imagine how things ever got so far gone
You separatists, say you want your own state
I'll give them a state, a state of unconsciousness

Retribution, no solution, constitution
Discrimination, through the nation, raining hatred I yell, when there's schism you must rebel

I yell, so you'll hear

I yell, I refuse to live, in, your hell

I am what you fear

I'm the truth, I don't keep it in the family

Live your life, take someone else Keep it in the family

The real world's outside your door

You can't keep it in the family

You've got the longest way to fall Keep it in the family

Don't even try to tell me what you think is right

When to you blacks are niggers and jews are kikes

And you expect to be taken seriously

But your actions, they're more than curiously

Juvenile, you emulate what you hate

And you don't even know why you feel this way

'Cause daddy hated this and mommy hated that

And your own ability to reason's like a tire gone flat

Yo, I try to understand what the hell is going on

I can't imagine how things ever got so far gone

You separatists, say you want your own state

I'll give them a state, a state of unconsciousness

Retribution, no solution, constitution

Discrimination, through the nation, raining hatred Keep it in the family

The real world's outside your door

You can't keep it in the family

You've got the longest way to fall When you keep it in the, when you keep it in the

When you keep it in the family
Acting out of pure cold hatred
'Cause of what another's race is
Color of another's face is
Different, and your own frustrations
Taking on a violent nature
Full of hate, so full of hate
You'd kill a man is that your fate
Your street becomes a police state
Why the hell do you hate?
Hate, hate!
I'm not gonna stand for it
Someone's gonna pay for it
I yell, we rebel
We're the truth and we won't keep it in the family
Live your life, take someone else
Keep it in the family
I'm the thing that you most fear
I don't keep it in the family
I am the truth you won't hear
Keep it in the family
You can't keep it in the family
You've got the longest way to fall
Keep it in the family
