

I Got a Right (1973 Original Siamese Single)

Iggy & The Stooges

Anytime I want I got a right to move
No matter what they say
Anytime I want I got a right to move
No matter what they say I got a right, I got a right to move
Anytime I want, anytime
I got a right, I got a right to move
Anytime I want Anytime I want I got a right to sing
No matter what they say
Anytime I want I got a right to sing
No matter what they say I got a right, I got a right to sing
Anytime I want
I got a right, I got a right to sing
Anytime I want
