

# Goodnight, Sweetheart

[Zoot Sims](#)

Good night sweetheart, till we meet tomorrow  
Good night sweetheart, sleep will banish sorrow  
Tears and parting may make us forlorn  
But with the dawn, a new day is born (so I'll say)  
Good night sweetheart, tho' I'm not beside you  
Good night sweetheart, still my love will guide you  
Dreams enfold you, in each one I'll hold you  
Good night sweetheart, good night  
Good night sweetheart, till we meet tomorrow  
Good night sweetheart, sleep will banish sorrow  
Tears and parting may make us forlorn  
But with the dawn, a new day is born  
(so I'll say) Good night sweetheart, tho' I'm not beside you  
Good night sweetheart, still my love will guide you  
Dreams enfold you, in each one I'll hold you  
Good night sweetheart, good night
