Satisfaction Guaranteed

Christina Milian

Hey boy I know that you don't know me
But if you took a little bit of time to see
How I could be I wanna make you happy
And if there's time let's get together
Baby we could do whatever whatever you pleasure
Because today might start foreverI've seen the merchandise so far you're what I like
Ooh boy you're so fine, oh how I wish that you were mine
In a little time you'll see satisfaction guaranteed
You are all I need, so come on give your love to meAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteedI know coming on kinda strong and
I feel that we got a chance, I want you to be my man
But if you took a little bit of time to learn
About me, yeah you will return just try and you'll seeBoy don't you know you are so fine
I want you to be mine
Just try and see I guarantee
Just give your love to meAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteedAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteedOh boy you got me
I know you want me want me now
I've got what you need
Just give it time and you'll seeAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteedAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteedAnytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Anytime satisfaction guaranteed
