

Words

Shawn Colvin

Two, three go
Smile an ever lasting smile
A smile can bring you near to me
And don't ever let me find you gone
'Cause that would bring a tear to me
This world has lost its glory
Let's start a brand new story now my love
Right now, there'll be no other time
And I can show you how my love
Talk in ever lasting words
And dedicate them all to me
And I will give you all my life
I'm here if you should call to me
And you think that I don't even mean
A single word I say
It's only words and words are all I have
To take your heart away
You think that I don't even mean
A single word I say
It's only words and words are all I have
To take your heart away
