

# Swag Sex (Feat. Jay Rock)

## Marques Houston

Need put a little swag in your sex, swag in your sex  
Put a little swag in your sex, swag in your sex  
And that's how you keep her from becoming your ex You only good at your sex game  
Said you did her real good but your sex lame  
She gonna be be on to the next man  
You gonna be be known as the ex man  
Why you telling all your friends in the bed (you destroyed her)  
She telling all your friends in the bed (you annoyed her)  
And when you put in on her didn't do (anything for her)  
And now she keeps avoiding you Need put a little swag in your sex, swag in your sex  
Put a little swag in your sex, swag in your sex  
And that's how you keep her from becoming your ex You need to grab her from the back and lay her down flat  
And kiss her kitty cat, yeah bet she like that  
And turn her once around and watch her back now Everytime you throw it throw it better put it in the end zone  
Your sex game whack she gon put you in the friend zone  
This right here is 'bout to be your theme song  
This right here is 'bout to be your ringtone And why you telling all your friends in the bed (you destroyed her)  
She telling all your friends in the bed (you annoyed her)  
And when you put in on her didn't do (anything for her)  
And now she keeps avoiding you Need put a little swag in your sex, swag in your sex  
Put a little swag in your sex, swag in your sex  
And that's how you keep her from becoming your ex You need to grab her from the back and lay her down flat  
And kiss her kitty cat, yeah bet she like that  
And turn her once around and watch her back now  
And that's how you keep her from becoming your ex Watch them swag sex when they play this song
