

The Love We're In

Barenaked Ladies

[Chorus]

Why aren't we making the love we're in?

It could be the last time

You never want to throw that away

Why aren't we making the love we're in?

Less heart to heart and more brain to brain

If you're feeling tender, I'm Novocain

Let's crash the party; I'll crash the plane

[Chorus]

Even a beggar must have to choose

They say you shouldn't wager more than you can lose

Make mine a double, just hold the booze

Why aren't we making the love we're in?

It could be the last time

You never want to throw that away

Why aren't we making the love we're

In, in?

Anyone can make it but we're

In, in

Some will even fake it but we're

In

Oh, why don't we just make the love we're in?

Yeah, why don't we just make the love we're in?

Why don't we just make the love we're in?
