

Lady Marmalade (with Lil' Kim,

Christina Aguilera

Well I thought I knew you, thinkin' that you were true
Guess I, I couldn't trust called your bluff time is up
'Cause I've had enough
You were there by my side, always down for the ride
But your joy ride just came down in flames cause your greed sold me out in shame
After all of the stealing and cheating you probably think that
I hold resentment for you
But uh uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do, I wouldn't know
Just how capable I am to pull through
So I want to say thank you
Cause it 'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter
Never saw it coming, all of your backstabbing
Just so you could cash in on a good thing before I'd realize your game
I heard you're goin' round playin', the victim now
But don't even begin feeling I'm the one to blame
'Cause you dug your own grave
After all of the fights and the lies cause you're wanting to haunt me
But that won't work anymore, no more,
It's over
'Cause if it wasn't for all of your torture
I wouldn't know how to be this way now and never back down
So I want to say thank you
Cause it 'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter
How could this man I thought I knew
Turn out to be unjust so cruel
Could only see the good in you

Pretended not to know the truth
You tried to hide your lies, disguise yourself
Through living in denial
But in the end you'll see
You won't stop me I am a fighter and I
I ain't goin' stop
There is no turning back
I've had enough 'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter You thought I would forget,
But I remember
'Cause I remember
I remember
You thought I would forget,
But I remember
'Cause I remember
I remember 'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter
