

# Lullaby For a Snow-Faced Girl.

[Kevin Devine](#)

Sleep peacefully  
Like the way you looked this morning With faith in your eyes  
And me in your hands  
A whispered promise  
In your heart Lullaby for a snow-faced girl  
Is what I'll sing  
Watching you the whole time It's three oh five on Monday morning  
Or is it night?  
I don't know but we'll be fine
