Devil In Me

Halsey

You said I would've hit the ceiling
You said I
You said I should eat my feelings
Head held highI won't take anyone down if I crawl tonight
But I still let everyone down when I change in size
And I went tumbling down tryna reach your high
But I scream too loud if I speak my mindI don't wanna wake it up
I don't wanna wake it up
I don't wanna wake it up
The devil in me
I don't wanna wake it up
I don't wanna wake it up
I don't wanna wake it up
The devil in meGotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to life
Gotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to lifeYou said I'm too much to handle
You said I
Shine too bright, I burnt the candle
Flew too highI won't take anyone down if I crawl tonight
But I still let everyone down when I change in size
And I went tumbling down tryna reach your high
But I scream too loud if I speak my mindI don't wanna wake it up
I don't wanna wake it up
I don't wanna wake it up
The devil in me
I don't wanna wake it up
I don't wanna wake it up
I don't wanna wake it up
The devil in meGotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to life
Gotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to lifeNow I gotta wake it up
Now I gotta wake it up
Now I gotta wake it up

The devil in me
Now I gotta wake it up
Now I gotta wake it up
Now I gotta wake it up
The devil in meGotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to life
Gotta wake up, gotta wake up
Gotta wake up, gotta wake up
Gotta wake up, come back to life
