

# love of my life (an ode to hip hop) - bonus track

## Erykah Badu

Right here what we gon' do is go back  
Way back  
Way back, yeah I met him when I was a  
Little girl, he gave me  
He gave me poetry  
And he was my first But in my heart I knew I  
Wasn't the only one  
Cause when the tables turned  
He had to break up Whenever I got lonely  
Or needed some advice  
He gave me his shoulder  
His words were very nice But that is all behind me  
Cause now there is no other  
My love is his and his is mine  
A friend became the Love of my life  
You are my friend  
Love of my life  
I can depend  
Love of my life  
Without you, baby  
It feels like a simple true love Hope this shit ain't clear  
A freak-freak ya'll, and ya don't stop  
To the beat ya'll and ya don't stop  
A freak-freak Or could it be that it was  
All just so simple then  
A teenage lover who said  
He's just a friend He moved around and we kept  
In touch through his friend Mike  
The world was young and he knew  
We couldn't rush but Whenever I got lonely  
Or needed some advice  
He gave me his shoulder  
His words were very nice But that is all behind me  
Cause now there is no other  
My love is his and his is mine  
A friend became the Love of my life  
You are my friend  
Love of my life  
A dude I can depend, yeah, yeah

Love of my life  
Feels like a simple true love, yeah Love of my life  
You are my friend  
Love of my life  
A dude I can depend, yeah, yeah  
Love of my life  
Feels like a simple true love, yeah Hope this shit ain't clear Y'all know how I met her  
We broke up and got back together  
To get her back I had to sweat her (sweat her)  
Thought she roll wit bad boys forever  
In many ways them boys made her better  
To grow I had to let her (let her)  
She needed cheddar and I understood that (that)  
Lookin' for cheese that don't make her a hood rat (rat)  
In fact she's a queen to me, her light beams on me  
I love it when she sings to me  
It's like that and a Ooh you know you rock my world  
And you be boy and I'll be girl  
And we don't stop until the break of dawn  
Ooh you know you rock my world  
And you be boy and I'll be girl  
And we don't stop until the break of oohhh
