All World Calss It ain't nothin like black pussy on my dick
Word to ya mamma and ya sister bitch

I pull my dick out and he'll say it's good ya'll came Ya'll did yer thang work the nigga front to back
In the bill clinton presidential cadillac
We smoked the sack the bitches couldn't handle that
Blew out my brains and left no stain I can't complain shit it's all done with game
I fucked so many hoes I can't remember they name
But it ain't about that bitch I really doubt that
Just turn the lights out and put my dick where ya mouth at Kid Rock I got the sex rhymes
Kid Rock you got yer sex rhymes
Snoop I got the presidential sex rhymes My nigga my nigga my nigga I'm on a private jet outta JFK
Sipin the Becks Feelin A OK
Look across the isle and who did I see
Bill mutha fuckin clinton sittin next to me We kicked the talk tied a couple a laughs
This stewradess walked up & asked us for our autographs
I thought it was mac and I gave her two free shirts
Bill stuck five fingers up in her skirt So I stuck five and that made ten
Shit two roosters and only one hen
Billy winked at me it was all too sweet
We tag teamed that freak at thirty thousand feet Yeah thirty thousand muthafuckin feet flyin high Ya know we
though we do it the most in the coast (Lemme see if you got some gansta shit homie,
'Cause if you do I'ma kick sumpin for ya.) Oh shit some gansta shit
All I need is a gansta bitch
Cause gansta shit is all I kick

I fucks with a black, brown, or a white chick
Bitch you can act like you ain't with the shit
I hear to strip a bitch, and cold pimp a bitch
Lookin for love in all the wrong places
Lookin for love..Fuck love its to racist
Smokin it up in too many places
Bustin a nut in too many bitches faces
Well, I Kid Rock got pussy galore
You might get a lot of pussy
I gets much more
Got scores of whores and macks know what's up
(You'se a playa)
Nope I'm a flat out slut
Got what you came for yes indeed
XTC and a sea of weed
Got a seed to plant in your field of crap
I'll wear my cowboy hat and be your farmer jack
You can hold my sac while I pack your bag
You can rub my back while I tap you're keg
One leg on the dash and one on the floor
I'll pop a cork in your ass and make you scream for more
