

I Am Worthy

Jennifer Ruth Russell

I am worthy of my own love
I am worthy of my own love
I am worthy of my own love
I am precious
A child of the One

I'm not too little or too much
I'm not too little or too much
I'm not too little or too much
I'm enough just as I am

And I am worthy of my own love
I am worthy of my own love
I am worthy of my own love
I am sent, who I am

And I stand up and speak my truth
I stand up and speak my truth
I stand up and speak my truth
I am strong and I express myself

And I am worthy of my own love
I am worthy of my own love
I am worthy of my own love
I am light the life of God

I take dominion of my life
I take dominion of my life
I take dominion of my life
I believe in myself, I have faith

And I am worthy of my own love
I am worthy of my own love
I am worthy of my own love
I am power, the presence of God

And I am worthy of my own love
I am worthy of my own love
I am worthy of my own love

I am power, the presence of God

And I am worthy of my own love

I am worthy of my own love

I am worthy of my own love

I am precious a child of the One

I am precious a child of the One
